

LA PASSION

The latest number of *Fêtes et Saisons* is designed to illustrate the Gospel story of the Passion. It links up the main features of the four evangelists into a continuous story from Maundy Thursday to Easter Sunday. The pictures as usual are brilliantly chosen and produced and the whole provides a meditation on the death and resurrection of our Lord.

The Lord We Serve

*The Fifth and Final Volume of Theophila
Correspondence*

by

FERDINAND VALENTINE, O.P.

Father Valentine, in his final volume of *Theophila Correspondence*, instructs the reader on the meaning of passages in SAINT LUKE. The reader is never led far away from his needs in the spiritual life of today. Prayer, the virtues, penance—such subjects form the web of the book, and those who use it for 'Gospel Enquires' will discover a very practical way of making the Gospel live today.
