BRINGING TOGETHER EMS CLINICIANS, PHYSICIANS AND POLICY MAKERS.

9616 CHESAPEAKE DRIVE SAN DIEGO, CA 92123 619.496.4200

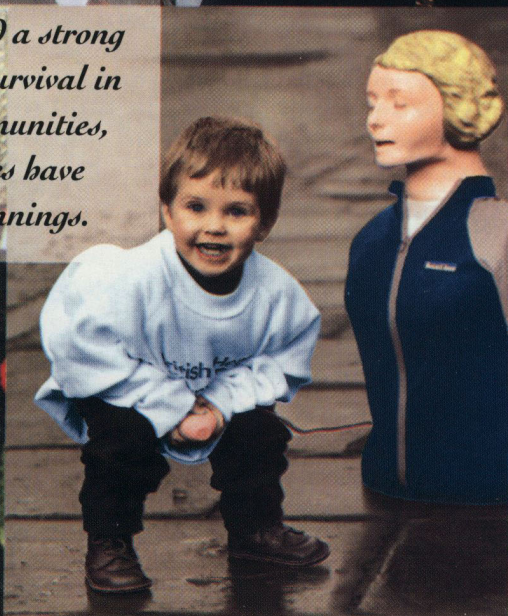

Submerged in a pond for 30 minutes, the life of 2 year-old Hal was saved by his father who had just learned CPR.

Using an automated external defibrillator, Qantas Flight Attendant David Furey saved passenger Roland Koenig (left) in mid-flight.

*Living Proof.
Because of the dedication, training and skills of emergency medical services and a strong Chain of Survival in their communities, these lives have new beginnings.*

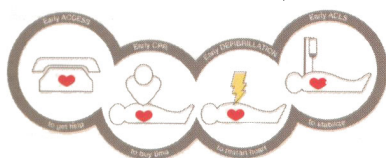

15 year-old heart attack victim T. J. Christensen was given the gift of life by the training and fast response of his teachers and the Sheboygan Fire/Rescue squad.

Little David White is alive today because his mother learned CPR on Resusci® Anne.

Laerdal, dedicated to helping save lives with products for CPR Training, Airway Management, Advanced Life Support Training, Spinal Motion Restriction and Automated External Defibrillation.
