

News from the International Union for Pure and Applied Biophysics

Forthcoming Meetings

1972

November

23-26 IUPAP International Conference on Modulation Spectroscopy.
Tucson, U.S.A.

1973

March

26-30 IUPAP International Conference on Photonuclear Reactions and
Applications. California, U.S.A.

April

9-13 IUPAP 4th International Conference on Solid Compounds of transi-
tion elements. Geneva, Switzerland.

July

1-7 9th International Congress of Biochemistry, Stockholm. Sec.: Dr G.
Aulin-Erdiman, Svenska Kemistsamfundet, Wenner-Gren Center, 6tr
S-113, 46 Stockholm, Sweden.

4-6 IUPAC 4th International Symposium on Wood Chemistry. Quebec,
Canada.

9-11 IUCr Symposium on Structure of Biological Molecules. Stockholm,
Sweden.

16-21 IUPAP 13th International Conference on the Physics of Electronic
and Atomic Collisions. Belgrade, Yugoslavia.

August

12-17 IUPAP Meeting on Charge Momentum and Spin Densities. Minsk,
U.S.S.R.

22-28 IUPAP International Conference on Magnetism. Moscow, U.S.S.R.

23-2 Sept. IUPAC 26th International Conference on Pure and Applied
Chemistry, Hamburg, B.R.D.

28-1 Sept. IUPAP Colloquium Ampere. Cracow, Poland.

September

3-8 24th IUPAC Congress: 'Medical Chemistry', Hamburg. Sec.: Dr W. Fritsche, Gessellschaft Deutscher Chemiker, 6 Frankfurt am Main, 90 Germany.

10-14 IUPAP 3rd International Meeting on Ferro-Electricity: Edinburgh, U.K.

10-14 IUPAC International Symposium on Macromolecules: Aberdeen, U.K.

October

15-20 13th International Congress on Radiology. Madrid. Write: The Secretariat, Decimotercio, Congreso Internacional de Radiologia, Lagasca 27, Madrid I.
