# We'll Never Remind You Of The Girl Next Door.

Thai's Royal Executive Class to Tokyo. Our shorter, Great Circle Express Route takes you straight from Dallas/Fort Worth and Seattle to Tokyo and Bangkok. And our Royal Executive Class takes you there in a manner so gracious and exotic, it transcends even first class on domestic airlines. The intrigue of Thai culture, the two-by-two seating, the Royal Orchid service—all are straight from our incomparable first class. So while the fare is little more than economy, we'll never remind you of that, either.
