Aims and Scope

The *British Journal of Nutrition* is an international, peer-reviewed journal publishing original papers, review articles, short communications and technical notes on human and clinical nutrition, general nutrition, and animal nutrition. Correspondence is encouraged in a Nutrition Discussion Forum. The Journal recognizes the multidisciplinary nature of nutritional science and encourages the submission of material from all of the specialities involved in research and clinical practice. The Journal also publishes supplements on topics of particular interest.

The *British Journal of Nutrition* is published monthly by CABI Publishing on behalf of The Nutrition Society.

The *British Journal of Nutrition* is available online to subscribers at <http://nutrition.cabweb.org>

Tables of contents and abstracts are available free at the same website.
