Japanese Journal of Political Science

The Japanese Journal of Political Science is a peer-reviewed journal that publishes original theoretical and empirically tested political science research. Manuscripts across the full range of sub-fields and research methodologies are welcome for consideration. We are open to single country or comparative studies, and particularly encourage those manuscripts that draw on interdisciplinary approaches to political science questions.

Editorial board

Editors in Chief	Professor Fang-Yi Chiou, Institute of Political
Professor Rieko Kage, University of Tokyo, Japan	Science, Academia Sinica, Taiwan
Professor Shuhei Kurizaki, Waseda University, Japan	Professor Andrew Eggers, University of Chicago, USA
