Muting Israeli Democracy

How Media and Cultural Policy Undermine Free Expression

AMIT M. SCHEJTER

"A fascinating and highly readable contribution to our understanding of the fragile state of Israeli democracy. Schejter shows how painfully complex the very distinction between a democracy and a non-democracy really is." —Daniel Dor, author of *The Suppression of Guilt: The Israeli Media and the Reoccupation of the West Bank*

"Reassesses some of the tenets of traditional Zionist discourse and points critically to the roles that statism, cultural policies, and political economy have played in rendering the prevalent power imbalance in Israeli society." —Yaron Shemer, assistant professor of Israeli culture and modern Hebrew, University of North Carolina

Art and Freedom of Speech

RANDALL P. BEZANSON

"Reaches beyond legal theory to explore the role of art as a human product, its production, consumption, and meaning. *Art and Freedom of Speech* represents a brilliant mind at work—in a lovely, intellectually playful tone" —Linda R. Hirshman, author of *Get to Work: . . . And Get a Life, Before It's Too Late*

"A comprehensive, in-depth examination of First Amendment principles as they pertain to the arts. Bezanson's detailed and lively analyses of Supreme Court arguments help clarify the conceptual bases of each case." —Joan DelFattore, author of *The Fourth R: Conflicts Over Religion in America's Public Schools*

328 pp. 6 x 9. 17 black & white photographs. Cloth 978-0-252-03443-5. \$35.00

Speech Rights in America

The First Amendment, Democracy, and the Media

LAURA STEIN

"This is a thoughtful analysis ranging over history and recent cases." — *Communication Booknotes Quarterly*

"The greatest strength of *Speech Rights in America* is Stein's ability to look through the lens of the individual.

Legal histories have been told for much too long from the omnipotent, often disconnected perspective of legal experts who tell us which case decisions are important and why. . . . The best way to get students engaged in any course material is to tell them the information is relevant to their lives. Stein does just that. She makes legal history relevant." — *Journalism & Mass Communication Educator*

184 pp. 6 x 9. 1 table. Paper 978-0-252-07536-0. \$20.00
