Determination of geometrical margins in external beam radiotherapy for prostate cancer: RETRACTION

Mohamed Bencheikh, Abdelmajid Maghnouj, Jaouad Tajmouati, Ahmed Dadouch and Zakariae Benjelloun

<https://doi.org/10.1017/S1460396918000699>, Published by Cambridge University Press, 04 December 2018.

Bencheikh et al. (2018) has been retracted by agreement between the authors and the editor, Professor Angela Duxbury. The authors had obtained verbal but not written permission from the hospital where the study was carried out to publish the data collected. At the hospital's request, the authors have asked for the article to be retracted.
