GROVE, A. J. The anatomy of the head and mouth parts of <i>Psylla mali</i> , the Apple sucker, with some remarks on the function of the labium. (With Plates XXVI—XXVIII and 1 Text-figure).	456

PARASITOLOGY is published about four times a year. The numbers afterwards are issued in volumes each containing four numbers and amounting to about 500 pages, with plates and figures.

Papers for publication should be sent to Professor GEO. H. F. NUTTALL, F.R.S., Longfield, Madingley Road, Cambridge. Other communications should be addressed to the University Press, Cambridge.

Papers forwarded to the Editors for publication are understood to be offered to *PARASITOLOGY* alone, unless the contrary is stated.

Contributors receive fifty copies of their papers free. Additional copies, not exceeding one hundred (except in special cases), may be had at cost price: these should be ordered when the final proof is returned.

The subscription price is £1. 15s. per volume (post-free), payable in advance; single numbers 12s. 6d. net (double number 25s. net). *Subscribers to the Journal of Hygiene* may obtain single numbers of *PARASITOLOGY* at the reduced price of 10s. net, or may become subscribers at the reduced rate of £1. 5s. per volume. Subscriptions may be sent to any Bookseller, or to MR C. F. CLAY, MANAGER, Cambridge University Press, Fetter Lane, London, E.C. 4.

The Cambridge University Press has appointed the University of Chicago Press agents for the sale of *Parasitology* in the United States of America and has authorised them to charge the following prices: Subscription \$8.75 net per volume; single numbers \$3.25 net each, double numbers \$6.25 net each. Subscribers to the *Journal of Hygiene* may obtain single numbers of *Parasitology* at the reduced price of \$2.50 net, or may become subscribers at the reduced rate of \$6.25 per volume.
