**COMMON GROUND**

The Japanese American National Museum and the Culture of Collaborations  
*Edited by Akemi Kikumura-Yano, Lane R. Hirabayashi, and James A. Hirabayashi*

In this collection of 17 essays, curators, designers, writers, and scientists explore the Japanese American National Museum's unique collaborations with audiences, researchers, funders, and other institutions, showcasing ideas for community partnerships.

"Common Ground is important because it documents the multiple views of those people with firsthand experience in the museum world."

—Karen Mary Davalos, author of *Exhibiting Mestizaje*

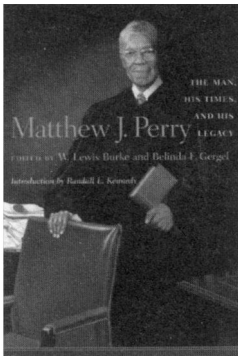

**New in December 2004**

**Matthew J. Perry**

*The Man, His Times, and His Legacy*

**Edited by W. Lewis Burke and**

**Belinda F. Gergel**

**Introduction by Randall L. Kennedy**

*The landmark—but largely unsung—career of a civil rights pioneer*

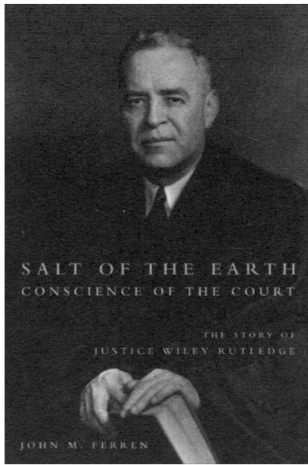

"If the civil rights struggle were a war, Matthew Perry would receive the Congressional Medal of Honor. He wasn't a billable hours lawyer. He wasn't even a trial lawyer that got paid when he won. He was a trial lawyer who seldom got compensated, was ridiculed, insulted, abused, and jailed for what the legal profession takes for granted. But he persisted and won. Leading the struggle, working around the clock with warmth, dignity, and good humor, he now presides with experienced judgment."

—The Honorable Ernest F. Hollings, U.S. Senate

## Salt of the Earth, Conscience of the Court

*The Story of  
Justice Wiley Rutledge*

**JOHN M. FERREN**

"In this wonderful book, Ferren has rescued and illuminated the hitherto neglected Supreme Court career of a decent man who joined the brawling Court of the 1940s and dedicated himself to the cause of civil liberties."—Andrew L. Kaufman, Harvard Law School

"Ferren's account of machinations behind the scenes at the Supreme Court in the infamous Korematsu Japanese American Internment case gives masterful insight into one of the darker sides of American law still achingly relevant today."—Patricia Wald, former Chief Judge, U.S. Court of Appeals for the D.C. Circuit

"Brilliantly researched, fascinating"  
—William E. Leuchtenburg, author  
of *The Supreme Court Reborn*  
592 pp., 56 illus. \$39.95 cl

## The Abortion Rights Controversy in America

*A Legal Reader*

**EDITED BY N. E. H. HULL,  
WILLIAM JAMES HOFFER, AND  
PETER CHARLES HOFFER**

Key documents from two centuries of debate.

"Exposes readers to the rich history of the abortion controversy, and gives us a historical perspective on contemporary controversies that deepens our understanding."

—Mark Tushnet, Georgetown University  
Law Center

352 pp. \$59.95 cl / \$24.95 pa

## Rape and Race in the Nineteenth-Century South

**DIANE MILLER SOMMERVILLE**

An analysis of black-on-white rape cases.

"A controversial and beautifully researched work that should have a large impact on the writing of southern history, as well as the writing of histories of sexual violence. . . . A historically plausible and coherent understanding [of rape] . . . that speaks to concerns that all American historians should share."

—Hendrik Hartog, Princeton University

Approx. 440 pp. \$59.95 cl / \$24.95 pa

*Available November 2004*

## Masters, Servants, and Magistrates in Britain and the Empire, 1562–1955

**EDITED BY DOUGLAS HAY  
AND PAUL CRAVEN**

"This eagerly awaited and important volume is a boon to historians, lawyers, and social scientists. It enables them to view the history of their own national legal cultures in the light of others, providing rich and detailed materials and first attempts at conceptualization for future comparisons."—David Sugarman, Lancaster University

*Studies in Legal History*

Approx. 656 pp. \$65.00 cl

*Available November 2004*

# LAW AND REVOLUTION, II

The Impact of the Protestant  
Reformations on the  
Western Legal Tradition

**HAROLD J. BERMAN**

This new volume explores two successive transformations of the Western legal tradition under the impact of the sixteenth-century German Reformation and the seventeenth-century English Revolution. Clearly written and cogently argued, this long-awaited, magisterial work is a major contribution to an understanding of the relationship of law to Western belief systems.

**“A unique contribution to  
the history of the Western  
legal tradition.”**

—R. H. Helmholtz, University of  
Chicago Law School

# From Tavern to Courthouse

ARCHITECTURE AND  
RITUAL IN AMERICAN  
LAW, 1658–1860

Martha J. McNamara

“In this compact but generously illustrated study, Martha J. McNamara puts the study of public space in early America on an entirely new plane. Charting the architectural transition from town houses to courthouses, she argues that attorneys needed architects as surely as architects saw a new market for their skills in innovative courthouse designs.”—Robert Blair St. George, University of Pennsylvania

“*From Tavern to Courthouse* brings American studies scholarship to bear on the ways in which lawyers gained hegemony over legal matters as they professionalized their services, in part, through the construction of purpose-built courthouses, prisons, and related commerce-free townscapes.”—Elizabeth Cromely, Northeastern University

*Creating the North American Landscape: Gregory Conniff, Edward K. Muller, and David Schuyler, Consulting Editors; George F. Thompson, Series Founder and Director*  
\$39.95 hardcover

HOW FREE  
CAN  
THE PRESS BE?

RANDALL P. BEZANSON

## “AMENDMENT I

Congress shall make no law . . .  
abridging the freedom of speech,  
or of the press.”

HOW FREE CAN THE PRESS BE?

RANDALL P. BEZANSON

“Too often the press cries ‘First Amendment’ as if it gave an absolute answer—as if freedom of the press trumped all other values. Randall Bezanson has found an ingenious and fascinating way to cut through the

absolutes, putting provocative questions about leading press cases that make us see that privacy, fairness, and other interests have their claim, too. Reporters, editors, and their lawyers should read this book and reflect on it.”

— Anthony Lewis, author of *The Myth of the Imperial Judiciary: Why the Right Is Wrong About the Courts*

*The History of Communication series* • HARDCOVER, \$34.95

**"[Witt's] magisterial history** is much more than an account of the rise of workers compensation ...His analysis has great contemporary significance, revealing both the alluring possibilities and the enduring limits of legal reform in America. It is destined to become a classic of social and legal history."

—Peter H. Schuck, author of  
*Diversity in America*

# The Accidental Republic

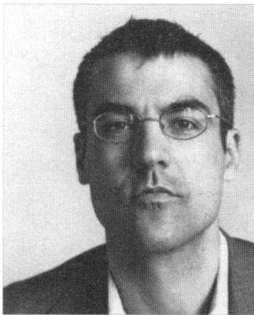

Photo: Robert Frumkin

Crippled Workingmen,  
Destitute Widows, and the  
Remaking of American Law  
**John Fabian Witt**

In the five decades after the Civil War, the United States witnessed a profusion of legal institutions designed to cope with the nation's acute industrial accident crisis. In this eclectic moment at the beginnings of the modern state, Witt describes American accident law as a contingent set of institutions that might have developed along a number of historical paths.

# Indiana Journal of Global Legal Studies

By focusing directly on globalization as involving not only a shift in scale of law, but also (and especially) the dynamics of domestic legal processes, *IJGLS* is instrumental in creating a new and important body of scholarship, as well as new analytical frameworks that will enhance understanding of the nature of law and society in the current global era. Past issues have examined the challenges of globalization to developing nations; distribution of wealth and its effect on sustainable development and environmental concerns; international citizenship; sovereignty and intellectual property; and many more important issues relevant to legal studies in the context of globalization.

# American Society for Legal History

The American Society for Legal History is a nonprofit membership organization dedicated to fostering scholarship, teaching, and study concerning the law and institutions of all legal systems, both Anglo-American and international. Founded in 1956, the Society sponsors this journal and *Studies in Legal History*, a series of book-length monographs available to ASLH members at substantial prepublication discounts. In addition, the Society holds an annual meeting to promote scholarship and interaction among teachers, practitioners, and students interested in legal history, and publishes a semiannual newsletter reporting developments in the field. For further information concerning the Society, please write: Walter F. Pratt, Jr., Notre Dame Law School, PO Box R, Notre Dame, IN 46556-0780.

To become a member of the Society, please complete and mail the application to University of Illinois Press, 1325 S. Oak Street, Champaign, IL 61820.
