

## Corrigendum

# Heterogeneity in caregiving-related early adversity: Creating stable dimensions and subtypes – CORRIGENDUM

---

Aki Nikolaidis, Charlotte Heleniak, Andrea Fields, Paul A. Bloom, Michelle VanTieghem, Anna Vannucci, Nicolas L. Camacho, Tricia Choy, Lisa Gibson, Chelsea Harmon, Syntia S. Hadis, Ian J. Douglas, Michael P. Milham and Nim Tottenham

doi: <https://doi.org/10.1017/S0954579421001668>. Published online by Cambridge University Press, 22 March 2022.

**Keywords:** caregiving related early adversities; heterogeneity; prediction; subtyping

The authors apologize that the original version of Nikolaidis et al. 2022 was missing some key funding information: “grant P2CHD058486 from the Eunice Kennedy Shriver National Institute of Child Health and Human Development awarded to the Columbia Population Research Center, and NSF graduate research fellowships (PB, CH, MV).”

The full funding statement is as follows:

This work was supported by the National Institute of Mental Health of the National Institutes of Health (MM and NT; 5R01MH091864), grant P2CHD058486 from the Eunice Kennedy Shriver National Institute of Child Health and Human Development awarded to the Columbia Population Research Center, and NSF graduate research fellowships (PB, CH, MV). AN is also supported by NIMH R21MH118556-01 and a Young Investigator award from the Brain and Behavior Research foundation. MPM is also supported by an endowment from Phyllis Green and Randolph Cowen. The content is solely the responsibility of the authors and does not necessarily represent the official views of the National Institutes of Health.
