

Miscellany

Appointment

Dr Richard J. W. Williams, Consultant Child and Adolescent Psychiatrist, has been appointed Director of the Health Advisory Service from 1 April 1992.

Award winner

Dr Anthony Daniels, consultant psychiatrist at Dudley Road and All Saints' Hospitals, Birmingham, has been given this year's Charles Douglas-Home Memorial Trust award. Dr Daniels has been commissioned to write a study of the National Health Service, which *The Times* will publish later this year.

Maxwell Jones Archive

Mrs Chris Jones, wife of the late Dr Maxwell Jones, announces the formation of the Maxwell Jones Archive. The Collection will be permanently housed in the Planned Environment Therapy Trust Archive and Study Centre in Gloucestershire. Mrs Jones would be happy to hear from anyone who has or knows of any letters, notes, photographs, tape-recordings, films, lecture notes, documents, and any other material and memories related to Dr Jones' life, or to his work in therapeutic communities/open systems: Mrs Chris Jones, R.R.1, Wolfville, Nova Scotia B0P 1X0, Canada.

Nuffield Council on Bioethics

The Chairman of the Nuffield Council on Bioethics has announced that the Council is setting up a Working Party on Genetic Screening under the Chairmanship of Professor Dame June Lloyd, Nuffield Professor of Child Health in the University of London. Its terms of reference include identifying and defining ethical questions raised by recent advances in biological and medical research in order to respond to, and to anticipate, public concern.
