**D**R. J. COLLIS BROWNE'S CHLORODYNE  
**J.** COLLIS BROWNE, and the word Chlorodyne  
coined by him expressly to designate it. There  
never has been a remedy so vastly beneficial to  
suffering humanity, and it is a subject of deep con-  
cern to the public that they should not be imposed  
upon by having imitations pressed upon them on  
account of cheapness, and as being the same thing.  
Dr. J. COLLIS BROWNE'S CHLORODYNE is a  
totally distinct thing from the spurious compounds  
called Chlorodyne, the use of which only ends in  
disappointment and failure.

**D**R. J. COLLIS BROWNE'S CHLORODYNE  
STATED PUBLICLY in Court that Dr. J. COLLIS  
BROWNE was UNDOUBTEDLY the INVENTOR  
of CHLORODYNE, that the whole story of the  
defendant was deliberately untrue, and he regretted  
to say it had been sworn to.—See *The Times*, July  
13th, 1864.

**D**R. J. COLLIS BROWNE'S CHLORODYNE  
is a LIQUID MEDICINE which ASSUAGES  
PAIN of EVERY KIND, affords a calm, refreshing  
sleep, WITHOUT HEADACHE, and INVIGOR-  
ATES the NERVOUS SYSTEM when exhausted.

**D**R. J. COLLIS BROWNE'S CHLORO-  
DYNE rapidly cuts short all attacks of

From SYMES & Co., Phar-

Hall, Simla.—Jan. 5th, 1880.  
To J. T. DAVENPORT, Esq.,  
33 Great Russell St., Blooms-  
bury, London.—DEAR SIR—  
We embrace this opportunity  
of congratulating you upon  
the wide-spread reputation  
this justly esteemed medicine  
has earned for itself, not  
only in Hindostan, but all  
over the East. As a remedy  
of general utility, we much  
question whether a better  
is imported into the country,  
and we shall be glad to hear  
of its finding a place in every  
Indian home. The other brands,  
say, are now relegated to the  
native bazaars, and, judging  
from their sale, we fancy their  
sojourn there will be but evanescent.  
We could multiply instances  
ad *infinitum* of the extraordinary  
efficacy of Dr. Collis Browne's  
Chlorodyne in Diarrhœa and  
Dysentery, Spasms, Cramps,  
Neuralgia, the Vomiting of  
Pregnancy, and as a general  
sedative, that have occurred  
under our personal observation.

ONLY GENUINE.

during many years. In Choleraic Diarrhœa, and even in the more terrible forms of Cholera itself, we have witnessed its surprisingly controlling power. We have never used any other form of this medicine than Collis Browne's, from a firm conviction that it is decidedly the best, and also from a sense of duty we owe to the profession and the public, as we are of opinion that the substitution of any other than Collis Browne's is a deliberate breach of faith on the part of the chemist to prescriber and patient alike.—We are, Sir, faithfully yours, SYMES & Co.
