*The Permanent Committee for the International Congresses
of Human Genetics announces:*

Fourth International Congress of Human Genetics

Paris, Sept. 1-6, 1971

*The Permanent Committee for the International Congresses of Human
Genetics has chosen Paris as the seat for the Fourth Congress.*

*The French Organizing Committee has indicated September 1-6, 1971
as the tentative dates of the Congress.*

*The Chairman of the Organizing Committee is Professor Maurice Lamy
(who is also the French representative in the Permanent Committee);
Professor Jean Frézal is Secretary General.*

A provisional program is being prepared and will be circulated shortly.

*Correspondence concerning the coming Congress should be addressed
as follows:*

QUATRIÈME CONGRÈS INTERNATIONAL
DE GÉNÉTIQUE HUMAINE

FOURTH INTERNATIONAL CONGRESS
OF HUMAN GENETICS

Clinique de Génétique Médicale
Hôpital des Enfants Malades
149 rue de Sèvres
Paris 15, France
