*“The most acute and
illuminating analysis
of Jane Austen’s novels
with which I am
acquainted.”*

—JOSEPH WARREN BEACH

JANE AUSTEN

IRONY AS DEFENSE AND DISCOVERY

By Marvin Mudrick

JANE AUSTEN emerges from behind the comfortable assumptions of a hundred years, and takes her true place among the most stalwart of the great ironists. Through an analysis of all her writings and a study of her irony in its sources and development, the book achieves its twofold aim of re-evaluating the novels and the growth of the novelist herself from the juvenilia through the great novels to *Sanditon*.

“By far the best book on the subject to date.”—*Mark Schorer*
