

New in paperback from Oxford

IN WAR'S DARK SHADOW

The Russians Before the Great War

W. Bruce Lincoln

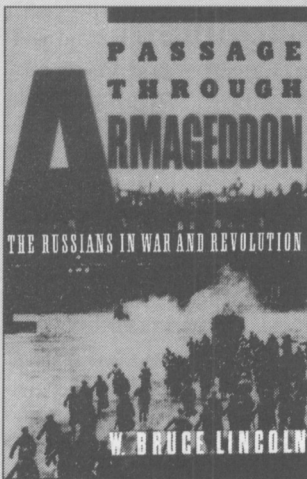

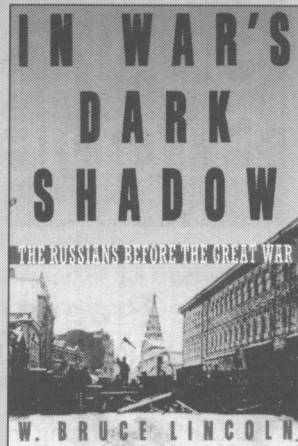

"Lincoln is that rarity among academics—a scholar who writes superbly."

—*The San Francisco Chronicle*

"An exemplary popular history, a work which is at once erudite, readable, and persuasive....Lincoln's work gives a mult-sided portrait of the Russian people at the most critical moment of their modern history."—*Slavic Review*

Here, eminent historian W. Bruce Lincoln offers a colorful and authoritative narrative history of Russia from 1891 to the onset of World War I.

576 pp., 42 photos, \$15.95

PASSAGE THROUGH ARMAGEDDON

The Russians in War and Revolution

W. Bruce Lincoln

"An accessible, comprehensive, and eminently balanced history. A lively writer with an eye for color, Lincoln makes telling use of a wide range of first-hand accounts."

—*The Washington Post*

"Fascinating reading....Events center across the pages of *Passage Through Armageddon* faster than Cossack cavalymen chasing a Bolshevik....Like a novelist, he turns crucial episodes into mini-dramas."

—*The New York Times Book Review*

In *Passage through Armageddon*, Lincoln gives a compelling account of Russia's horrific ordeal in the Great War, and the subsequent revolution that shook the world.

640 pp., 31 photos, \$16.95

MCLEAN, and NICHOLAS V.
RIASANOVSKY

This volume completes a program of publishing distinguished essays on a wide range of Slavic topics. \$45.00 cloth

And Now My Soul Is Hardened

Abandoned Children in Soviet Russia, 1918-1930
ALAN M. BALL

Warfare, epidemics, and famine left millions of Soviet children homeless in the 1920s. Many became beggars, prostitutes, and thieves. Ball's study of these children examines their lives and the strategies the government used to remove them from the streets. The "rehabilitation" of these youths and the results years later are an important lesson in Soviet history.

\$45.00 cloth, illustrated

Hooliganism

Crime, Culture, and Power in St. Petersburg, 1900-1914
JOAN NEUBERGER

Criminal behavior of every sort was on the rise in early twentieth-century St. Petersburg, but it was a peculiar concoction known as hooliganism that captured headlines. Drawing on the work of Foucault, Certeau, and others, Neuberger establishes hooliganism as a crucial category for understanding the development of cultural identities and values in Russia. *Studies on the History of Society & Culture*, \$42.00 cloth, illustrated

**FREE ONE-WEEK
SUBSCRIPTION!**
New York: 718/769-2846
Moscow: 095/955-2708

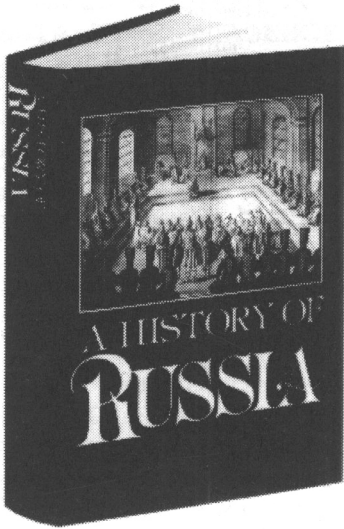

**TO THOSE WISHING TO
SUBMIT MANUSCRIPTS**

Manuscripts for consideration should be submitted by post or courier service in four double-spaced typed copies. (If computer generated, they should be letter quality or near letter quality. Continuous form sheets must be separated.) Notes and block quotations should be double-spaced; notes should be placed at the end of the manuscript and not at the bottoms of pages. Library of Congress transliteration for quotations for fewer than 50 words and the *Chicago Manual of Style* are to be followed. In general, articles should not exceed 30 typed pages 8½" by 11" in dimension—including endnotes.

Manuscripts are sent to outside readers in anonymous form and should be prepared accordingly.

The policy of *Slavic Review* is not to consider materials that have been published or that are being considered for publication elsewhere.

Publication of articles in *Slavic Review* is ordinarily limited to those submitted by members of AAASS. Nonmembers wishing to submit manuscripts will be sent a membership application; please see the inside front cover for information on membership.

A HISTORY OF RUSSIA

Fifth Edition

Nicholas V. Riasanovsky,
*University of California,
Berkeley*

“An outstanding textbook. Very readable, well-balanced, and brought up-to-date to reflect the enormous changes in Russia in the past several years.”

—*Idris Rhea Traylor, Jr., Texas Tech University*

“Without a doubt, the best work on the subject on the market today!”

—*William B. Kory, University of Pittsburgh at Johnstown*

“Excellent book, best available survey of Russian history. I have used it for years as required reading for my course.”

—*Barisa Krekic, University of California, Los Angeles*

“Still the finest general textbook on Russian history in English.”

—*Jeffrey S. Gaab, State University of New York, College of Technology*

Revised and expanded to cover the initiation of glasnost and perestroika in 1985, the resignation of Gorbachev in 1991, the dissolution of the Soviet Union, and the events of 1992, the most authoritative, readable, and well-balanced history of Russia is now more timely than ever. Widely acclaimed as the best one-volume survey available, written by one of the foremost scholars in the field, Riasanovsky's *History* has for years been the consistent choice of scholars, students, and general readers alike. Drawing on both primary sources and major interpretive works, including those by Soviet historians, it paints a rich portrait of each period of Russian and Soviet history through ample cover-

age of social, economic, and cultural developments, as well as political and military history. Riasanovsky also offers unusually balanced treatment of historiographical issues, stating his own position on points of contention and presenting in turn contrasting viewpoints, allowing readers to form their own judgments. With an important new chapter on the Gorbachev period and the breakup of the Soviet Union, and a fully updated bibliography, Riasanovsky's *History* remains a cornerstone of the literature, the most comprehensive and reliable guide to the main themes of Russian history.

1993 768 pp.; 30 maps, 68 illus. cloth \$37.00

**REINTERPRETING RUSSIAN HISTORY
Readings, 860-1860s**

Edited by DANIEL H. KAISER, *Grinnell College*, and GARY MARKER, *State University of New York at Stony Brook*
"Excellent collection of documents and readings. Will make a Russian history course come alive!"—V. Lyle Haskins, *Northeastern State University* "The best book of readings ever. This field has been begging for an issue approach reader."—Richard Warner, *Mary Washington College*
1994 464 pp.; 69 illus and 1 map
paper \$17.95 cloth \$45.00

**ENDURANCE AND ENDEAVOUR
Russian History 1812-1992**

Fourth Edition
J. N. WESTWOOD, *University of Birmingham*

"You just took a fine text and made it better with this edition. Bringing the volume up to date is just what it needed, nothing more. I like the balanced coverage of all aspects of history, and the obvious scholarship that marks the treatment of those aspects. Clearly an expert's work, both in the subject matter and in the way that subject matter is handled. I wish all textbooks were written this well."
—Arnold Koekkoek, *Dordt College*
(*Short Oxford History of the Modern World*)
1993 640 pp.; 4 b&w illus. paper \$22.50 cloth \$62.00

**RETURN TO DIVERSITY
A Political History of East Central
Europe Since World War II**

Second Edition
JOSEPH ROTHSCHILD, *Columbia University*

"Consistently stimulating....A wonderful book: learned, funny, indignant, perceptive, argumentative and authoritative by turns. It is a book whose time has come."—*The Slavonic Review* "Updated edition makes this an authoritative synopsis of post-1945 East Central Europe, giving more perspective on changes and challenges of the present. Additions to bibliography keep up with progress in scholarship, adding to the book's value as a reference and source."—Richard F. Crane, *University of Connecticut*
1993 320 pp.; 2 maps paper \$14.95 cloth \$38.00

**THE WALLS CAME TUMBLING DOWN
The Collapse of Communism in Eastern
Europe**

GALE STOKES, *Rice University*

NEW FROM INDIANA

ANATOMY OF THE AUSCHWITZ DEATH CAMP

Edited by Yisrael Gutman and Michael Berenbaum
Yehuda Bauer, Raul Hilberg, and Franciszek Piper, Editorial Board

More than a million people were murdered at Auschwitz, of whom ninety percent were Jews. In this, one of the inaugural publications of the U.S. Holocaust Memorial Museum's Research Institute, leading scholars from around the world provide the first comprehensive account of what took place at Auschwitz. Many chapters bring to light new information found in archival holdings in the former communist countries. The authoritative portrait of the camp that emerges from this research is indispensable for anyone seeking to comprehend the meaning of Auschwitz and the Holocaust. Includes an abridged and translated version of Jean-Claude Pressac's book, *Les Crématoires d'Auschwitz* (The Auschwitz Crematoria).

Published in association with the United States
Holocaust Memorial Museum, Washington, D.C.

The Soviet World 1948-1989

This bibliography from the Institute for Soviet and East European Studies of the University of Amsterdam forms an important source of information for research on the Soviet Union and the East European countries. It started as early as 1948 to list articles from newspapers and periodicals from both Soviet sources and Western scholarly periodicals covering the Soviet Union and Eastern Europe.

Recently filmed: 1989

Zemstvo Statistics

The main bulk of the publications of the *Zemstvo* (provincial administrative bodies set up after the Reform of 1861) consists of more than 4,000 volumes covering the period from 1860 to 1917. This documentary source is important not only for historians of Russia, but also for economists and others concerned with agrarian economy and the doctrinal debate opposing the Marxists and Russian Populists.

Zemstvo Library card catalogue

The Saltykov-Shchedrin National Library, St. Petersburg

The catalogue, containing about 110,000 cards, has the following three sections:

Alphabetical author-title catalogue (60,000 cards)

Geographical catalogue (47,000 cards)

Periodicals catalogue (2,500 cards)

Catalogues and brochures are available free on request.

The Moral
Foundations
of United States
Constitutional
Democracy

by James H. Rutherford

AN ANALYTICAL AND HISTORICAL
INQUIRY INTO THE PRIMARY
MORAL CONCEPT OF EQUALITY

**The Moral Foundations
of United States
Constitutional Democracy**

by James H. Rutherford

"An excellent essay in both scholarship and analysis. Indeed, I think that I have never seen a more convincing statement of the importance of the concept of equality in American constitutionalism."

—*Vincent E. Starzinger, Ph.D.*
Prof., Dept. of Government
Dartmouth College

"This is a well-researched and persuasively argued case for understanding the nuanced concept of universal equality as the moral foundation for constitutional democracy. Integrating perspectives from philosophy, law, religion, and the history of ideas, this essay is useful for all who want to support cultural pluralism and yet fear its anarchic potential."

—*Walter Bouman, Dr. Theol., D.D.*
Fendt Prof. of Systematic Theology
Trinity Lutheran Seminary

This book develops a framework for understanding the dynamics of moral and political philosophy. It then applies this framework to an analytical and historical inquiry into the *several* aspects of universal equality which developed in the ethical and legal systems of Western civilization. It was written for students of Western civilization and teachers of ethics, law, history and government.

Announcing two new volumes in the series—
A History of East Central Europe

Historical Atlas of East Central Europe

Paul Robert Magocsi

For the first time in any language, here is an atlas that covers all of East Central Europe, from the early fifth century to January 1993. With 89 full-color maps and accompanying text, this volume constitutes an indispensable history of the region.

"There is nothing comparable to this book in any language and its usefulness to the profession and interested public is beyond any doubt. The work is destined to exert considerable and lasting influence on generations of scholars, experts, diplomats, and politicians."—George Barany, professor emeritus of history, University of Denver

"This rich compendium of the geography and history of the region also treats economic patterns, the growth of the city, ecclesiastical jurisdiction, and industrial development. Author Magocsi has included maps showing the districts and counties of every country in the region after World War I and II. . . . [A] wealth of information at your fingertips."

—Library Journal

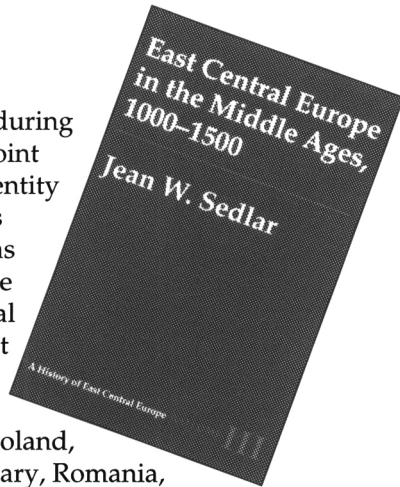

A History of East Central Europe, Volume I
232 pp., 89 color maps, tables, appendix, bibliog., index
Clothbound, \$75.00

East Central Europe in the Middle Ages, 1000-1500

Jean W. Sedlar

The history of East Central Europe during the Middle Ages remains a major point of reference and source of ethnic identity throughout the region. Jean Sedlar's excellent synthesis clarifies what was going on in Europe between the Elbe and the Ukraine during the medieval period, making available for the first time in a single volume information necessary to a fuller understanding of the early history of present-day Poland, the Czech Republic, Slovakia, Hungary, Romania, Bulgaria, Albania, and the former Yugoslavia.

"A tour de force . . . a masterfully crafted study, fluently written and impressive in its sweep."—George P. Majeska, University of Maryland

A History of East Central Europe, Volume III
552 pp, maps, bibliog., index
Clothbound, \$50.00

Previously published volumes in the series—
