

Editor's Note

Attentive readers of the *Journal* will notice that there is no annual index in this, the August 1986 issue. In the past, each volume has begun in November and culminated the following August with an index for the entire volume. This meant that each volume of the *Journal* corresponded to a two-year period. To avoid this and permit each volume to coincide with the calendar year, this volume of the *Journal*, Volume 45, will have five numbers, not four. Volume 46 will revert to four numbers, all issued within the 1987 calendar year.

Volume 45 (1985–86)	November	No. 1
	February	No. 2
	May	No. 3
	August	No. 4
	November	No. 5 (Index Volume)
Volume 46 (1987)	February	No. 1
	May	No. 2
	August	No. 3
	November	No. 4 (Index Volume)

We expect to inaugurate Volume 46 with a new design for the cover of the *Journal*. More on this in a subsequent note.
