## ADJUSTMENT TO ACQUIRED HEARING LOSS

9-13 April, 1987

CHURCHILL HALL, UNIVERSITY OF BRISTOL

This international conference will be the first of its kind specifically addressing personal and social aspects of hearing loss. Its aim is to bring together researchers, practitioners and hard-of-hearing people to discuss the issues concerning the adjustment process after the onset of hearing loss. The programme will consist of invited lecturers, workshops, and research reports. Topics will include: hearing therapy, hearing aid use, rehabilitation, family relations, counselling. Interpreting and transcription services will be provided to allow hard-of-hearing participants to be fully involved.

*Abstracts (200 words) of proposed research papers must reach the organizers by 1 December, 1986.*
