# Differences in stakeholder perceptions of the jaguar *Panthera onca* and puma *Puma concolor* in the tropical lowlands of Guatemala—ERRATUM

JOSÉ R. SOTO-SHOENDER and MARTIN B. MAIN

doi: 10.1017/S003060531200107X, Published by Cambridge University Press, 8 January 2013.

The legend of Fig. 2 of Soto-Shoender & Main (2013) is incorrect. It should read ‘Percentage of villagers and cattle ranchers in the Petén District (Fig. 1) responding Don’t know, No and Yes to survey questions 3 and 7 (Are jaguars and pumas important for the forest and wildlife?)’.
