VOLUME 58

1993

PUBLISHED QUARTERLY BY THE ASSOCIATION FOR SYMBOLIC LOGIC, INC. WITH
SUPPORT FROM ICSU AND FROM INSTITUTIONAL AND CORPORATE MEMBERS

The four numbers of Volume 57 were issued at the following dates:

- Number 1, pages 1–384, May 13, 1993
- Number 2, pages 385–768, August 16, 1993
- Number 3, pages 769–1152, October 19, 1993
- Number 4, pages 1153–1544, December 13, 1993

Numbers 1–4 of this volume are copyrighted © 1993 by the Association for Symbolic Logic, Inc. Reproduction of copyrighted numbers of the JOURNAL by photostat, photoprint, microfilm, or like process is forbidden, except by written permission, to be obtained from the Secretary of the Association, C. Ward Henson, Department of Mathematics, University of Illinois, 1409 W. Green St., Urbana, IL 61801.

The paper used in this JOURNAL is acid-free and falls within the guidelines established to ensure permanence and durability.

This JOURNAL has been registered with the Copyright Clearance Center, Inc. The appearance of a code at the bottom of the first page of an article indicates the copyright owner's consent for copying beyond that permitted by Sections 107 or 108 of the U. S. Copyright Law, provided that the per-copy fee stated in the code is paid directly to Copyright Clearance Center, Inc., 222 Rosewood Drive, Danvers, MA 01923. This consent does not extend to copying for general distribution, for advertising or promotion purposes, for creating new collective works, or for resale. Specific written permission for such copying must be obtained from the Association.

Notices	1543

The JOURNAL is the official organ of the Association for Symbolic Logic, an international organization for furthering research in symbolic logic and exchange of ideas among mathematicians, philosophers, and others interested in this field.

Individual membership in the Association is open to anyone interested in its work. Annual dues for members are \$44, or \$22 for students. Dues include subscription to the current volume of the JOURNAL. For their personal use, members may purchase back volumes at a discount. Persons wishing to subscribe to the JOURNAL for their individual use without becoming Association members should write to the Secretary-Treasurer.

Institutional membership in the Association is available to any academic institution or department. Annual institutional dues are \$350 for 1993. Membership privileges include choices of current subscriptions, of back volumes, and of student memberships. A detailed description of institutional and corporate membership is available from the Secretary-Treasurer of the Association.

Information on microfiche and microfilm editions of the JOURNAL can be obtained from *University Microfilms, 300 North Zeeb Road, Ann Arbor, MI 48106, U.S.A.*

Back volumes of the JOURNAL are available; information on back volumes in paper form can be obtained from the Association.

Requests for information, applications for membership, orders for back volumes, business correspondence, and notices and announcements for publication in the JOURNAL should be sent to the Secretary-Treasurer of the Association, *C. Ward Henson, ASL, Department of Mathematics, University of Illinois, 1409 W. Green Street, Urbana, IL 61801, U.S.A.* The Internet address of the Association's business office is *asl@symcom.math.uiuc.edu*.

Notices of change of address, dues, and subscriptions to the JOURNAL should be sent to the *Association for Symbolic Logic, Journals Division UIP, 54 East Gregory Drive, Champaign, IL 61820, U.S.A.* All orders must be accompanied by payment in dollars; Visa and Master Card are accepted. To receive a replacement copy of the JOURNAL, please report damaged, defective, or missing issues within nine months of the date of publication.

Books for review in the JOURNAL should be sent to *Herbert Enderton, The Journal of Symbolic Logic, U.C.L.A., Los Angeles, CA 90024, U.S.A.* The other editors of reviews are *George Boolos, Matthew Foreman, Gerhard Jäger, and Michael Makkai*.

Articles being submitted for publication in the JOURNAL should be sent in duplicate to one of the following editors: *Peter Aczel, Departments of Computer Science and Mathematics, Manchester University, Manchester M13 9PL, England*; or *Wilfried Buchholz, Mathematisches Institut, Universität München, Theresienstrasse 39, D-8000 München 2, Germany*; or *Sy D. Friedman, Department of Mathematics, Massachusetts Institute of Technology, Cambridge, MA 02139, U.S.A.*; or *Julia Knight, Department of Mathematics, University of Notre Dame, Notre Dame, IN 46556 U.S.A.*; or *Steffen Lempp, Department of Mathematics, University of Wisconsin, Madison, WI 53706, U.S.A.*; or *Andre Scedrov, Department of Mathematics, University of Pennsylvania, 209 South 33rd Street, Philadelphia, PA 19104-6395, U.S.A.*; or *Johan van Benthem, Faculty of Mathematics and Computer Science, Universiteit van Amsterdam, Plantage Muidergracht 24, Amsterdam 1018 TV, The Netherlands*. The editor in charge of survey and expository articles is *John P. Burgess, Department of Philosophy, Princeton University, Princeton, NJ 08544, U.S.A.*

Each manuscript should be typewritten with wide margins and with double spacing between the lines. Footnotes should be numbered consecutively and should also be typed with wide margins and double spacing, preferably on a separate sheet. Two copies of the manuscript should be sent to the editor, and the author should also keep a complete copy. Fifty offprints of each article are supplied at no charge, and additional offprints may be purchased if desired.

The JOURNAL invites submission of (1) original technical papers in the field of symbolic logic, (2) expository papers in this field, (3) papers whose main point is philosophical and which either bear upon logic or make use of its methods, and (4) studies in the history of logic in which modern technical developments are taken into account.

The paper used in this JOURNAL is acid-free and falls within the guidelines established to ensure permanence and durability.
