THE Society, founded in 1879 to advance the study of Greek language, literature, history and art, maintains conjointly with the Society for the Promotion of Roman Studies

1. A Library of some 16,000 volumes, containing many costly works and rare periodicals.
2. Large collections of classified photographs for reference and research.
3. Some 12,500 lantern slides covering the whole domain of ancient life and art. Besides the general collection, there are sets of slides with lecture texts.

Both books and slides can be sent to Members by post.

By arrangement with the Society of Antiquaries the quarterly general meetings are normally held in that Society's rooms at Burlington House, Piccadilly, W. 1.

The Journal of Hellenic Studies, recognized at home and abroad as the leading British organ of Greek archaeology, contains articles by first authorities, numerous illustrations and reviews of recent books of importance to classical studies and is at present published yearly as a single volume, which members receive free of charge, the price to the public being two guineas.

The Annual Subscription to the Society is one guinea. The Composition Fee for life-membership is ten guineas for persons over fifty years of age and fifteen guineas for others. The subscription for Libraries and Student Associates is one guinea and half a guinea respectively. There is no entrance fee.

Applications for membership or inquiries about the Society should be addressed to the Secretary at the above address.

Membership of the Association is open to men and women alike. The annual subscription is 5s. (life composition, £3 15s.). Members receive a copy of the annual *Proceedings* of the Association (post free). They may also obtain the *Classical Review* and *Classical Quarterly* at reduced prices (*Review* 15s., *Quarterly* 13s. 6d.; combined subscription 25s. 6d.). *Greece and Rome* may be obtained for an annual subscription of 7s. 6d.
