ANNOUNCEMENT

CONFERENCE FOR FORMAL METHODS IN THE METHODOLOGY OF EMPIRICAL SCIENCES

Warsaw, June 17 to 21, 1974

The Conference will be held under the auspices of the Division of Logic, Methodology, and Philosophy of Science of the International Union of History and Philosophy of Science, and the Polish Academy of Sciences. The proceedings of the Conference will be organized in two sections: Section I: logical methods, e.g. methods of proof theory, model theory, set theory, and Section II: mathematical methods, e.g. methods of probability theory, information theory, decision theory. The program will consist of invited lectures and contributed papers. Those wishing to present a paper are kindly requested to give all details that may help to incorporate it properly into the program of the Conference.

The Executive Committee of the Conference is:

Ryszard Wójcicki—Chairman
 Marian Przelecki—Chairman of Section I
 Klemens Szaniawski—Chairman of Section II
 Stanisław Surma.

All correspondence, including requests for further information, should be addressed to Professor Ryszard Wójcicki, the Section for Logic, the Institute of Philosophy and Sociology, the Polish Academy of Sciences, Szewska 36, 50-139 Wrocław, Poland.
