

THE TORCH

is the symbol of truth with which St Dominic
burned out the Albigensian errors.

Heresies still burn up good Dominicans—or *vice-versa*. That's why **THE TORCH** (the official magazine of the Third Order of St Dominic in the United States) wages war against the modern errors in a gamut of articles that is accurately described as 'From Summa to Saucepan'. Solid doctrine is made readable and practicable for you students, workers, teachers, and lay apostles—married or single, in such controversial articles as: **TV or Not TV: Advertising and the Christian** and **Mediocrity in Modern Women**: in such theological writings as: **Truth for Tertiaries** and **Spirituality for Children**. In its pages will be found many fine book reviews as well.

THE TORCH is a paper pulpit from which Dominicans, secular and religious, are still preaching the **TRUTH**. But what good is a preacher without an audience?—Needless to say, we welcome your subscriptions.

SHE TAKES THE VEIL

by Sister Mary Laurence, O.P.

In a series of realistic letters Sister Mary Laurence discusses the question 'Have I a vocation?' and describes in some detail the life of a contemplative nun. Written in the modern idiom and completely practical in content and approach, this book should be of great value to young women interested in the religious life, and it is particularly recommended as a book for superiors to give prospective novices.

Crown 8vo. 48pp. paper 2/6d.

“**T**HAT THE CHURCH MAY SPREAD AND INCREASE: this is the intention for which we must offer our prayers and our labours”, says Pope Pius XII in his encyclical on the Mystical Body.

The work of the Mill Hill Fathers in Africa, India, the Far East and New Zealand, has this one aim. You can work with them for the spread of the Church by fostering vocations to the missionary priesthood.
