## Religion and Politics in Enlightenment Europe

---

**James E. Bradley  
&  
Dale K. Van Kley,  
editors**

“THIS BOOK SETS NEW STANDARDS FOR THE comparative study of religion during the Enlightenment. It challenges us to correct the distorting effects of 1789, to consider the religious rationales of the anciens regimes, and to weigh the challenges that orthodoxy and heterodoxy posed to them. It is certain to be the starting point for many debates.” —Jonathan Clark, author of *English Society 1660-1832* and *The Language of Liberty 1660-1832*

## John Adams, in His Own Words, on Politics and Government

*"Conservatives who are gratified at the success of David McCullough's wonderful new biography of John Adams will find even more of the real Adams—Adams unplugged, one might say—in The Revolutionary Writings of John Adams (331 pp., \$12.), selected by C. Bradley Thompson."*

—Mike Potemra, *National Review*, July 6, 2001

*"... ought to find its way onto every bookshelf."*

—Erik Root, *Carolina Journal*, May 17, 2001

### The Revolutionary Writings of John Adams

Selected and with a Foreword  
by C. Bradley Thompson

*The Revolutionary Writings of John Adams* presents the principal shorter writings in which Adams addresses the prospect of revolution and the form of government proper to the new United States. Though one of the principal framers of the American republic and the successor to Washington as president, John Adams receives remarkably little attention among many students of the early national period. This is especially true in the case of the periods before and after the Revolution, in which the intellectual rationale for independence and republican government was given the fullest expression.

*The Revolutionary Writings of John Adams* illustrates that it was Adams, for example, who before the Revolution wrote some of the most important documents on the nature of the British Constitution and the meaning of rights, sovereignty, representation, and obligation. And it was Adams who, once the colonies had declared independence, wrote equally important works on possible forms of government in a quest to develop a science of politics for the construction of a constitution for the proposed republic.

**C. Bradley Thompson** is an Associate Professor of History and Political Science at Ashland University, Ashland, Ohio, and the author of *John Adams and the Spirit of Liberty*.

**March 2001. 6 x 9. 349 pages.**

**Hardcover. ISBN 0-86597-284-2. \$21.00.**

**Paperback. ISBN 0-86597-285-0. \$12.00.**

For those interested in learning more about John Adams, Liberty Fund also offers *The Spur of Fame: Dialogues of John Adams and Benjamin Rush, 1805–1813*. This new collection of primary source material, which includes letters published together for the first time, gives readers a first-hand look at the subject of fame through the eyes of two of the nation's founding fathers.

## CHRISTIAN FAITH AND MODERN DEMOCRACY

*God and Politics in the Fallen World*

Robert P. Kraynak

"IN HIS IMPORTANT AND CONTROVERSIAL NEW BOOK, Kraynak argues that democracy is the result of several historical and political developments that were not in themselves the inevitable result of either Providence or the secular course of history." —*Commonweal*

"[T]HIS LEARNED AND PROVOCATIVE BOOK IS AN EXCELLENT INTRODUCTION to the

problem of Christianity and democracy in our time, and to the enduring tension between religious faith and 'the logic of rights' in modern liberal societies." —*The Public Interest*

# From Our Anvil Series

## **Presidential Power From The New Deal To The New Right**

*by Herbert S. Parmet*

The growth of presidential power, especially the office of the presidency, is traced from the New Deal through the term of President Bill Clinton. The author explains how expansion, far from achieving "imperial power," has been accompanied by solid checks on that power, which have inevitably frustrated incumbents. This work not only incorporates the perspective of history and the institution of the presidency itself, but considers the views from the White House. The text is accompanied by relevant documents of the period.

Orig. Ed. 2002 238 pp. ISBN 0-89464-837-3 Paper \$19.95

## **ALSO AVAILABLE**

### **BASIC HISTORY OF AMERICAN CONSERVATISM**

*by Robert Muccigrosso*

Conservatism has provided one of America's great traditions. From the colonial era through modern times it has helped to shape the issues, debates, and values that have defined national character and development. For the most part, however, only limited attention has been paid to the contours of this tradition. This book offers both a narrative and an analysis of American conservatism, and features an accompanying selection of pertinent documents for use in colleges and universities, as well as for interested general readers.

Orig. Ed. 2001 224 pp. ISBN 1-57524-070-X Paper \$18.50

### **UNLOCKING CITY HALL:**

#### **Exploring the History of Local Government and Politics**

*by Michael W. Homel*

*Unlocking City Hall* is a practical how-to-guide for teachers, students, and community residents who want to explore the turbulent, important history of local government and politics. This book details a variety of topics to study, ranging from public services to campaigns and elections, from public employees and elected officials to the volatile history of urban politics. The author suggests questions to ask about each topic, identifies sources to use and where to find them, and outlines how local historians can present their findings.

Orig. Ed. 2001 182 pp. ISBN 0-89464-987-6 Paper \$18.50

## *Constitutional Politics*

Essays on  
Constitution  
Making,  
Maintenance,  
and Change

Edited by  
Sotirios A. Barber  
&  
Robert P. George

## **Constitutional Politics**

Essays on Constitution Making,  
Maintenance, and Change

**Edited by Sotirios A. Barber  
and Robert P. George**

What does it mean to have a constitution? Scholars and students associated with Walter Murphy at Princeton University have long asked this question in their exploration of constitutional politics and judicial behavior. In this collection, Sotirios A. Barber and Robert P. George bring together fourteen essays by members of this Princeton group—some of the most distinguished scholars in the field. The overarching ambition of this collection is to awaken a constitutionalist consciousness in its readers—to view themselves as potential makers and changers of constitutions, as opposed to mere subjects of existing arrangements.

In addition to the editors, the contributors are Walter F. Murphy, John E. Finn, Christopher L. Eisgruber, James E. Fleming, Jeffrey K. Tulis, Suzette Hemberger, Stephen Macedo, Sanford Levinson, H. N. Hirsch, Wayne D. Moore, Keith E. Whittington, and Mark E. Brandon.
