

Information for Authors

The purpose of the *Canadian Journal of Philosophy* is the publication in Canada of philosophical work of high quality, in English or French, and in any field of philosophy. All submissions are given blind editorial review; those of departmental colleagues are externally refereed.

Four copies of submitted manuscripts, double-sided if preferred, should be sent to: Executive Secretary, *Canadian Journal of Philosophy*, University of Lethbridge, Lethbridge, Alberta, Canada T1K 3M4. It is preferred that manuscripts be typed double-spaced, including quotes and footnotes. In general, the *Canadian Journal of Philosophy* follows *The University of Chicago Manual of Style*. Footnotes should be numbered consecutively and assembled on separate pages at the end of the manuscript. Manuscripts should be prepared for blind review, which means they should contain no self-identifying references in either text or footnotes. Manuscripts will not be returned unless return postage is prepaid by cheque, money-order, reply coupons, or Canadian stamps.

Authors will receive, without charge, 25 copies of their articles. Additional offprints may be ordered when the proofs are returned to the publisher.

All enquiries of an editorial nature should be directed to the Executive Secretary at the above address.

Philosophy from Cambridge

Philosophy

Published for the Royal Institute of Philosophy

Philosophy is the journal of the Royal Institute of Philosophy, which was founded in 1925 to build bridges between specialist philosophers and a wider educated public. The journal continues to fulfil a dual role: it is one of the leading academic journals of philosophy, but it also serves the philosophical interests of specialists in other fields (law, language, literature and the arts, medicine, politics, religion, science, education, psychology, history) and those of the general reader. Contributors are required to avoid needless technicality of language and presentation. Each issue contains an editorial on a topic of philosophical or public interest, and a 'New Books' section.

The institutional subscription includes two supplements. Supplements in 2002 are *Logic, Thought and Language*, edited by Anthony O'Hear; and *Time, Reality and Experience*, edited by Craig Callender.
