SECRETS OF THE INTERIOR LIFE

by

LUIS M. MARTINEZ, D.D.

Primate of All Mexico

Translated by

H. J. BEUTLER, C.M., S.T.L.

'The illustrious Archbishop of Mexico describes as lucidly as possible the deep humility, very great self-abnegation, and the true poverty of the spirit necessary for the perfection of the interior life. Special comfort and consideration are given to earnest souls who experience spiritual dryness. His style is vivid, at times almost lyrical, and the arc of his thoughts soars very high. Since spiritual reading can be an integral part of a continual colloquy with God, this book is recommended not only for the age-old principles it contains, but because of the stimulating and refreshing manner in which they are presented. It will delight new readers and gain many more for His Excellency in the English-speaking world.' *America.*

'Those who are seriously attempting to live the interior life will welcome this beautiful translation of the spiritual treatise of Archbishop Martinez.' *Irish Ecclesiastical Record.*
