

## INDEX MEDICO-PSYCHOLOGICUS.

- Acute delirious insanity, The treatment of. G. M. Robertson. *Edin. Hosp. Rep.*, 1893, i., 325-338.
- Acute delirious mania. G. W. McIntyre. *Northwest. Lancet*, St. Paul, 1893, xiii., 467-469.
- Acute delirious mania. G. L. Sinclair. *Internat. Clin.*, Phila., 1893, 3 s., ii., 135-143.
- Acute mania following rupture of the rectum by enema thirteen days after ovariectomy. A. C. Butler-Smythe. *J. Ment. Sc.*, Lond., 1893, xxxix., 389-397.
- Acute insanity, On the early stages of. T. C. Shaw. *St. Barth. Hosp. Rep.*, Lond., 1893, xxix., 109-123.
- with sexual perversion, Notes on a case of. W. C. Sullivan. *J. Ment. Sc.*, Lond., 1893, xxxix., 225.
- Acute mania. Some suggestions as to the treatment of acute mania. J. W. Givens. *J. Am. M. Ass.*, Chicago, 1894, xxiii., 153.
- (Case of), septicæmia; death. A. W. Anderson. *Brit. M. J.*, Lond., 1893, i., 1110.
- Address before the fiftieth annual meeting of the American Medico-Psychological Association, held in Philadelphia, May 16th, 1894. S. W. Mitchell. *J. Nerv. and Ment. Dis.*, N.Y., 1894, xxi., 413-437.
- Administration. The lunacy administration of Scotland, 1857-1892. T. S. Clouston. *Am. J. Insan.*, Utica, N.Y., 1893-4, 1., 186-197.
- Ages and death-rates of lunatics in the district where accumulation of lunatics is most advanced. T. A. Chapman. *J. Ment. Sc.*, Lond., 1894, xl., 385-393. 4 ch.
- Alcoholism. The relation of the abuse of alcohol to mental diseases. R. H. Noott. *Lancet*, Lond., 1893, ii., 739-741.
- The effect of alcoholic intoxication upon the human brain and its relation to the theories of heredity and evolution. A. Forel. *Quart. J. Inebr.*, Hartford, 1893, xv., 204-221.
- Contribuzione allo studio della pazzia transitoria da avvelenamento alcoolico. A. Marro. *Ann. di freniat.*, etc., Torino, 1891-2, iii., 257-274.
- Alcoholism in New York and the classification of inebriates. O. L. Dana. *Am. J. Insan.*, Utica, N.Y., 1893-4, 1., 29-33.
- An abstract of the rational treatment of drink habit cases. J. G. Read. *West. M. Reporter*, Chicago, 1893, xv., 73-75.
- The ætiology and therapeutics of alcoholic inebriety. L. D. Mason. *Brooklyn M. J.*, 1893, vii., 496-503.
- The control of inebriates. E. MacD. Cosgrave. *Tr. Roy. Acad. M. Ireland*, Dubl., 1891-2, x., 367-379.
- Medical treatment of inebriety. T. D. Crothers. *Med. & Surg. Reporter*, Phila., 1893, lxix., 623-628.
- The Keeley cure of alcoholism. J. W. Robertson. *Pacific M. J.*, San. Fran., 1893, xxxvi., 286-293. *Also* *Tr. M. Soc. Calif.*, San. Fran., 1893, xxiii., 194-204.
- Keeleyism and Keeley methods, with some statistics. B. D. Evans. *Med. News*, Phila., 1893, lxii., 477-484.
- Hot water in acute alcoholism. S. W. Burson. *N. Am. Pract.*, Chicago, 1893, v., 155-158.
- Some peculiar effects from large doses of hyosine in a case of acute alcoholism. J. P. Fiske. *Med. Rec.*, N.Y., 1893, xlv., 142.
- The bichloride of gold treatment for dipsomania. L. E. Keeley. *Chicago M. Recorder*, 1893, iv., 412-414.

- Alcoholism.** The so-called bi-chloride treatment; its relation to the medical profession and to the people. F. E. Daniel. *Texas Sanitarian*, Austin, 1892-3, ii., 365-374.
- Nitrate of strychnine in alcoholism. J. B. McConnell. *N. York M. J.*, 1893, lvii., 612-616.
- Report of the inebriates' legislation committee. *Brit. M. J.*, Lond., 1893, ii., 273.
- American inebriate asylums. T. D. Crothers. *J. Am. M. Ass.*, Chicago, 1893, xxi., 471-477.
- Alimentary affections in the insane, Concerning some of the.** Amelia Gilmore. *Phila. Hosp. Rep.*, 1893, ii., 198-205.
- American medico-psychological literature (a half-century of).** G. A. Blumer. *Am. J. Insan.*, Chicago, 1894-5, li., 40-50.
- Association. Some remarks on the address delivered to the American Psychological Association, by S. Weir Mitchell, M.D., May 16, 1894. W. Channing. *Ibid.*, 171-181.
- Artificial feeding of the insane.** J. Neil. *Brit. M. J.*, Lond., 1894, i., 883.
- in acute melancholia. J. Neil. *Ibid.*, 183.
- Asylums. Insane asylum management.** S. A. Cunningham. *Cincin. Lancet-Clinic*, 1894, n.s., xxxiii., 520-522.
- Lunatic asylums, their organisation and management. Charles Mercier. Lond., 1894, C. Griffin & Co. 315 p., 8s.
- The effect of the recent change in county government on asylums and the insane. T. W. McDowall. *Brit. M. J.*, Lond., 1893, ii., 358-364.
- The great asylum of Alt Scherbitz, near Leipzig. C. Norman. *J. Ment. Sc.*, Lond., 1894, xl., 494.
- The medical service of the lunatic asylums of England. *Med. Mag.*, Lond., 1894-5, iii., 141-151.
- The future of asylum service. A. C. Clark. *Am. J. Insan.*, Utica, N.Y., 1893-4, l., 351-361.
- The trials and troubles and grievances of a private asylum superintendent. L. A. Weatherly. *J. Ment. Sc.*, Lond., 1894, xl., 345-354.
- Some remarks on the new form of the Omagh asylum. G. F. West. *J. Ment. Sc.*, Lond., 1893, xxxix., 197-199.
- Une visite à deux asiles d'aliénés à l'étranger; 1. à Munich, en Bavière; 2. à Vienne, en Autriche. L. Puteaux. *Assistance*, Par., 1893, iii., 225-231.
- Auto-intoxication in mental diseases.** Régis and Chevalier-Lavaure. *Med. Week*, Par., 1893, i., 373-375.
- Des auto-intoxications dans les maladies mentales. J. Séglas. *Arch. gén. de méd.*, Par., 1893, ii., 532-555.
- Des auto-intoxications dans les maladies mentales. Régis et Chevalier-Lavaure. [Rap.] *Ann. de psychiat. et d'hypnol.*, Par., 1893, n.s., iii., 261-274.
- Ueber Autointoxications-Psychosen. D. E. Jacobson. *Allg. Ztschr. f. Psychiat.*, etc., Berl., 1894, li., 379-406.
- Automatic acts.** Contribution à l'étude des actes purement automatiques chez les aliénés. M. Bombarda. *Rev. neurol.*, Par., 1893, i., 490-495.
- Blood in insanity.** Sulla isotonia del sangue negli alienati. C. Agostini. *Riv. sper. di freniat.*, Reggio-Emilia, 1892, xviii., 483-497.
- On the value of examination of the blood of the insane. J. A. Houston. *Boston M. & S. J.*, 1894, cxxx., 53-56.
- The blood in melancholia, and the effect of systematic tonic treatment. W. Steele. *Am. J. Insan.*, Utica, N. Y., 1892-3, xlix., 604-610.
- Bodily disease as a cause of insanity.** E. Du B. Bondurant. *Tr. M. Ass. Alabama*, Montgomery, 1893, 303-314.

- Body weight and mental improvement. A. R. Moulton. *Am. J. Insan.*, Chicago, 1894-5, li., 209-220.
- Brain. On the typical microscopic lesions found in the brain in insanity. T. S. Clouston, J. Middlemass, and W. F. Robertson. *J. Ment. Sc.*, Lond., 1894, xl., 665-670.
- from microcephalic idiot, with extraordinary smallness of frontal lobes. J. Wigglesworth. *Liverpool M. Chir. J.*, 1893, xiii., 501.
- Anatomische Studien an Gehirnen Geisteskranker. H. Schlöss. *Jahrb. f. Psychiat.*, Leipz. u. Wien, 1893-4, xii., 157-337, 6 pl.
- in mental disease. Sulle fine alterazioni della corteccia cerebrale in alcune malattie mentali. R. Colella. *Ann. di nevrol.*, Torino, 1892, n.s., x., 312-314.
- in mental diseases. Sur les alterations histologiques de l'écorce cérébrale dans quelques maladies mentales. R. Colella. *Arch. ital. de biol.*, Turin, 1893-4, xx., 216-218.
- Calvarium from a case of circular insanity. L. R. Oswald. *Glasgow M. J.*, 1894, xlii., 61-63.
- and brain from microcephalic idiot. J. Wigglesworth. *Liverpool M.-Chir. J.*, 1893, xiii., 500.
- Care of the insane. Proposed change of the legal status of the insane, in accordance with our present knowledge of the nature of insanity, for the purpose of securing for them more rational and efficient treatment. S. Smith. *Am. J. Insan.*, Utica, N. Y., 1893-4, l., 325-344.
- What improvements have been wrought in the care of the insane by means of training schools? C. B. Burr. *Ibid.*, 214-223.
- The need of special accommodation for the degenerate. J. Morel. *J. Ment. Sc.*, Lond., 1894, xl., 597-605.
- On the separate treatment of recent and curable cases of insanity in special detached hospitals, with plan and description of buildings about to be erected for this purpose at the Lancaster County Asylum, Whittingham. J. A. Wallis. *Ibid.*, 335-344, 2 plans.
- An outline of the progress in the care and handling of the insane in the last twenty years. C. E. Riggs. *J. Nerv. & Ment. Dis.*, N.Y., 1893, xx., 620-628.
- Present hospital care of the insane. S. B. Lyon. *Ibid.*, 1894, xxi., 504-511.
- The institutional care of the insane. E. P. Christian. *Physician & Sur.*, Detroit & Ann. Arbor, 1894, xvi., 206-215.
- (Colony System of Gheel). Die familiäre Verpflegung Geisteskranker (System der Irren Colonie Gheel) der Irren-Anstalt der Stadt Berlin zu Dalldorf in den Jahren, 1885, bis 1893. Alfred Bothe. Berl., 1893, J. Springer, 162 p., 8c.
- The care and treatment of the insane in private practice. J. T. Wilson. *Virginia M. Month.*, Richmond, 1893-4, xx., 1100-1116.

CONTENTS OF No. 179.—OCTOBER, 1896.

PART I.—ORIGINAL ARTICLES.

- W. Julius Mickle, M.D.—Presidential Address.  
George R. Wilson, M.D.—The Significance of Welsmann's Doctrine in Insanity.  
J. F. Briscoe, M.R.C.S.—Heredity in Mental Disease.  
R. S. Stewart, M.D.—The Increase of General Paralysis in England and Wales; its Causation and Significance.  
J. Macpherson, M.D.—The Hospital Treatment of the Insane in Asylums.  
A. R. Turnbull, M.B.—Note on Female Nursing in an Asylum Male Sick Room.  
T. S. Clouston, M.D.—The Cairo Asylum: Dr. Warnock on Hasheesh Insanity.  
William W. Ireland, M.D.—Torquato Tasso and his Biographers.  
Clinical Notes and Cases.—A Case of Recurrent Mania; by JOHN G. HAVLOCK, M.D.  
Occasional Notes of the Quarter.—The Annual Meeting.—Retirement of Dr. Beach.—Criminal Responsibility.—Pension and Gratuities.—British Medical Association.—Private Care.—The Woodilee Asylum.

PART II.—PSYCHOLOGICAL RETROSPECT.

- American Retrospect; by FLETCHER BEACH, M.D.  
General Retrospect; by J. F. G. PETERSEN, M.R.C.S.  
Criminal Anthropology; by HAVLOCK ELLIS.

PART III.—NOTES AND NEWS.

- Annual Meeting of the Medico-Psychological Association.—The Psychological Section of the British Medical Association.—Recent Medico-Legal Cases.—Parliamentary Intelligence.—Pensions and Gratuities.—Examination for the Certificate in Psychological Medicine.—Winner of the Gaskell Prize.—Winner of the Bronze Medal.—The Certificate in Nursing.—Obituary.—Notices of Meetings.—Appointments.—Index to Vol. xlii.
