Notes for Contributors

***Antiquity* aims to report new archaeological research, methods and issues of international significance in plain language to a broad academic and professional readership.**

We ask prospective authors to consult previous issues of the journal and the full Notes for Contributors on our website at <http://antiquity.ac.uk/contnotes.html>.

Submissions for publication in the JOURNAL should be sent with a disc and hard copy to The Editor, *Antiquity*, King's Manor, York, YO1 7EP, UK, or by e-mail to editor@antiquity.ac.uk.

Text should be submitted in English in MS Word 2000 or a compatible program and have a maximum length of 5000 words. Please indicate the corresponding author. References should be in the Harvard format (*Antiquity* does not use footnotes or end-notes). For initial consideration, figures may be embedded in the Word file or submitted as low-resolution jpeg files, but please note our publication image requirements.

Papers submitted to the journal are peer-reviewed by two or more referees. The Editor aims to make a decision on whether the paper is to be accepted within four to six months of receipt.

Authors whose papers are declined are notified via e-mail by the editor, and we can normally pass on part or all of the referees' reports to assist feedback.

Authors whose papers are accepted may be asked to send an updated, revised text and will need to send figures of publication quality. These should be sent as hard copy photographs or drawings or as TIFF files at 600 dpi (colour or monochrome photographs) and EPS files at 1200 dpi (line drawings) on a CD-ROM or Zip disk. Colour images should be prepared in CMYK; RGB should not be used. Authors may be asked if we can mount long tables and other data on our website.

Authors will be asked to contribute towards the cost of publishing colour images. The charge is £100 per page with colour images.

Authors receive a free PDF of their paper, and may order offprints at a charge of £0.75 each (orders must be for 25 offprints or multiples thereof).

Submissions for publication in the **PROJECT GALLERY** on the website (<http://antiquity.ac.uk/ProjGall/>) should be e-mailed to editor@antiquity.ac.uk as attachments. Text should be in MS Word and have a maximum length of 1000 words. Figures (colour or monochrome, maximum of 6 pictures) should be jpeg files at 72 dpi. Submissions for the Project Gallery are not peer-reviewed but the Editor may request changes before a submission is accepted. Authors will be asked to check their page before it goes live online.
