Characteristics of patients with motor functional neurological disorder in a large UK mental health service: a case-control study – CORRIGENDUM

N. O'Connell, T. R. Nicholson, S. Wessely and A. S. David

<https://doi.org/10.1017/S0033291719000266>, Published online by Cambridge University Press, 18 February 2019

This article was published in *Psychological Medicine* with an error in the following sentence:

'Birmingham et al. (2010) reported that the incremental cost incurred by somatising patients is £3 billion per year, accounting for 10% of total NHS expenditure.'

Should read:

'Birmingham et al. (2010) reported that the incremental cost incurred by somatising patients is £3 billion per year, accounting for 10% of NHS expenditure in the working-age English population in 2008–2009.'

The authors apologise for this error.
