ARABIAN ORYX PROJECT THE SULTANATE OF OMAN

At last, the opportunity to see the results of a major FFPS project; the saving of the Arabian Oryx and its re-introduction into the wild.

Now that Oman is open to visitors for the first time for many years it seems appropriate that FFPS members should have the first opportunity to see the Oryx in their native habitat.

In association with the FFPS, Twickers World offer an 11 day expedition, tracking the Oryx with local Rangers, visiting the Wahiba Sands and the remote nesting sites of the Green Sea Turtle.

The expedition is limited to 12 members including a leader from the FFPS.

Departure, 2nd October 1989. £1750.

Detailed itinerary on request. Please quote Dept. FFPS on all enquiries.
