

No other airline can fly in her footsteps.

One day, others may follow our Great Circle Express Route from Dallas/Forth Worth, Seattle to Tokyo and Bangkok. But nobody can match our 1000-year head start: the traditional charm and grace of Thai hospitality. So when people fly our 747B Royal Orchid Service to the Orient and say they loved the *experience*, little do they know how right they are.

 **Thai** A Flight Of Graciousness
