## **BUILDING CANADA**

A HISTORY OF PUBLIC WORKS

Edited by Norman R. Ball

The development in Canada of modern, complex, large-scale public works infrastructures – bridges, roads, streets, and highways; underground sewers, water mains, and utility cables; hydroelectric dams, canals, lighthouses, and pumping stations – represents a remarkable achievement. Climate, terrain, and limitations in resources and technological capabilities challenged generations of pioneers, soldiers, labourers, and engineers. *Building Canada* describes Canadian history in terms of the public works that helped to transform Canada from wilderness to a modern country.

## FILIPINO POLITICS

### *Development and Decay*

By DAVID WURFEL. Wurfel here offers the most comprehensive account of Filipino politics from 1945 to the present available in any language. "A fitting culmination to his 35 years of study, Wurfel's book should be the definitive work for years to come."—Bernard Gordon, University of New Hampshire. *Politics and International Relations of Southeast Asia*. \$34.95

## STATE AND FAMILY IN SINGAPORE

### *Restructuring an Industrial Society*

By JANET A. SALAFF. During the 1970s and early 1980s, the government of Singapore transformed the new republic from a labor-intensive society, which relied on the export of cheap goods, to a high-tech, capital-intensive society. Salaff investigates how the government's development program has changed family life and explores the extent to which a Third World state can restructure its society to reposition itself in the world economy. *The Anthropology of Contemporary Issues*. \$37.50

## OPENING FINANCIAL MARKETS

### *Banking Politics on the Pacific Rim*

By LOUIS W. PAULY. Pauly explores the reasons behind the retreat of protectionist policies in domestic banking systems, examining case histories of regulatory policy making in Canada, the United States, Japan, and Australia—four countries that frame the Pacific Rim, a region emerging as the financial linchpin of the international economy. *Cornell Studies in Political Economy*. \$29.95

## STATE CAPITALISM

### *Public Enterprise in Canada*

By JEANNE KIRK LAUX and MAUREEN APPEL MOLOT. "The latest and best summary work on public enterprise in Canada. For those of us who teach Canadian public policy, it should be the text of choice on Canadian forms of state capitalism."—Henry J. Jacek, *Canadian Journal of Political Science*. "Exceedingly well researched and carefully argued. It demonstrates that the state's role in the economy is not diminishing but rather the state's activity in relation to the industrial, commercial, and ideological dynamics of international capitalism is being restructured."—Leo Panitch, York University. *Cornell Studies in Political Economy*. \$11.95 paper, \$37.50 cloth

## **The Politics of Canadian Foreign Policy, Second Edition**

By Kim Richard Nossal

- Restructured for easier comprehension
- Expanded discussion of economic factors
- Analysis of provincial record and involvement in foreign policy

**The Politics of Canadian Foreign Policy** examines the forces which shape Canadian foreign policy decisions. By exploring the interplay of the three political environments — international, domestic and governmental — Nossal reveals who the decisionmakers are and the conditions which precipitate the decisions. Substantially revised and updated, it provides a cogent, well-written analysis that is a valuable contribution to the foreign policy literature.
