

PRESENTATION TO L S WIGDORTCHIK

As a mark of their friendship, and in appreciation of his many very real services to the Association, Members of the Executive Council presented Mr L S WIGDORTCHIK with a small silver loving cup, suitably inscribed, upon the occasion of his wedding and departure to the United States

'Wiggy,' as he is known to so many of us, carries all our good wishes to his new appointment with The Prasecki Helicopter Corporation. He goes to America empowered by the Council to act as the Association's representative which we hope and expect will result in even closer liaison with our friends of the American Helicopter Society
