

ASA ANNUAL MEETING PAPERS COLLECTION 1993-1996 CD-ROM

To mark the 40th Anniversary of the African Studies Association we are releasing the 1996 Annual Meeting Papers Collection together with the papers from the 1993, 1994, and 1995 Annual Meetings on CD-ROM. The Annual Meeting Papers Collection, started in 1971, is now a collection of about one thousand papers from the 1960 and the 1965-1974 meetings. Since that time each year, the Association has asked members to contribute papers to the collection. The collection has grown into one of the best sources of current thinking in African Studies available today.

The 1993-1996 Annual Meeting Papers Collection CD-ROM puts four years of Africanist scholarship at your fingertips. The CD-ROM is cross-platform and can be opened with MacIntosh or Microsoft operating systems. All software is included on the disk.

The Collection is attractively priced and a 20% discount is available to ASA members. Members who contributed to the 1993-1993 Collection will receive a 50% discount off the regular individual price of \$65.00.
