Contributions should be typed in double spacing on one side of the paper. The first line of each paragraph should be indented. Contributors should also note that biblical references should be listed in Arabic rather than in Roman numerals.

In view of the increasing number of typescripts which are being received for possible publication, those who wish to submit work are asked not to do so without first consulting the Editors who will be glad to advise about format, length and possible date of publication if the work can be accepted.
