The original version of this article was published with incorrect data in [Appendix 2](#). The correct version of the appendix is shown below.

**Appendix 2** List of species found during two field seasons (2009–2010) in the two landscapes sampled, La Pera and Nahá, in Chiapas, south Mexico. Vouchers are deposited in the Museum of Zoology of the Faculty of Science, UNAM. We did not collect specimens so the species assignment could be mistaken (\*).
