NAN H. DREHER is an independent historian who most recently taught at Marquette University. She completed her Ph.D. at the University of Pennsylvania where she worked with Lynn Hollen Lees. She has published a number of articles in *Reader's Guide to Women's Studies*, ed. Eleanor Amico (1997) and an article in *Victorian Periodicals Review*. She is continuing her study of urban social and cultural history with emphases on public space and public health.

BRUCE L. KINZER is Professor of History at the University of North Carolina at Wilmington. He is the author of numerous studies of Mill, including being co-editor with the late John Robson of *Public and Parliamentary Speeches in the Collected Works of John Stuart Mill*. He also co-authored with Ann P. Robson and John Robson, *A Moralist in and Out of Parliament: John Stuart Mill at Westminster, 1865–1868* (1991). He is currently studying J. S. Mill and the Irish Question.

TIM HARRIS is Professor of History at Brown University and most recently author of *Popular Culture in England, c. 1500–1850* (1995). In addition to numerous articles he has written *Politics under the Later Stuarts* (1993), *London Crowds in the Reign of Charles II* (1987), and co-edited with Paul Seaward and Mark Goldie *The Politics of Religion in Restoration England* (1990). He is currently writing a monograph for Penguin on the British revolutions of the late seventeenth century.

“An indispensable source.”

—JOHN KEEGAN, *Literary Review*

“Recommended to students as much as to the general reader...A valuable and sometimes innovative synthesis.”

—C.A. BAYLY, *Times Higher Education Supplement*

“Among the most readable and astute examinations of British imperial history ever written.”

—ROBERT COLE, author of *Britain and the War of Words in Neutral Europe, 1939-45*

“A vividly readable history of the rise, spread, and disappearance of the British imperium since 1765.”

—WALTER NUGENT, Professor of History, Univ. of Notre Dame and author of *Crossings: The Great Transatlantic Migrations, 1870-1914*

From 1765 to the present day, *Empire* is a definitive account of the British imperial experience and its impact on both the rulers and the ruled, offering a wide-ranging, detailed analysis encompassing social, political, and psychological factors.
