This Association was founded in 1955 to promote the study of the United States within the United Kingdom. It welcomes applications for membership from people interested in the history, society, government and politics, economics, geography, literature and thought of the United States. It publishes a *Newsletter* twice yearly, holds an Annual Conference, and provides other services for its members from time to time. Enquiries concerning current subscription rates and applications for membership should be addressed to the Secretary, Dr Charlotte Erickson, London School of Economics, Houghton Street, Aldwych, London, W.C. 2.

## NOTES FOR CONTRIBUTORS

All contributions and editorial correspondence should be sent to the Editor, *Journal of American Studies*, Department of American Studies, The University, Manchester 13. Submission of an article is taken to imply that it has not previously been published, or is not being considered for publication elsewhere. Articles should generally contain about 5000 words, although longer articles may be submitted by agreement with the Editor. Contributors need not be members of the British Association for American Studies.

Contributions should be clearly typed in double spacing, preferably on quarto paper. Wide left-hand margins should be provided. Diagrams and maps may be included by arrangement with the Editor.

The rule about double-spacing applies also to footnotes. These should be inserted for the following purposes only:

- (i) to give references for direct quotations used in the text;
- (ii) to give references to the main authorities on disputable questions; and
- (iii) to give evidence relied on by the contributor for any new or unusual conclusions.

General notes intended for the Editor and printer should be attached on a separate sheet. Contributors should keep one copy of the typescript for use in correcting proofs.

First proofs may be read and corrected by contributors provided that they can give the Editor an address through which they can be reached without delay and can guarantee to return the corrected proofs to the Editor, by airmail where appropriate, within ten days of receiving them. The master proof will always be sent direct to the Editor by the printer; contributors will receive duplicates.

Contributors of articles and review articles receive 25 free separates. Extra copies may be bought according to an agreed scale of charges.
