THE Sedgwick Prize, which is given triennially by the University of Cambridge for an essay on some geological subject previously announced, is awarded for 1925 to Mr. Hugh Hamshaw Thomas, Fellow of Downing College. The subject for the year 1928 is "Contributions to the Geology of some district in which Sedgwick worked". The prize is open to all graduates of the University who shall have resided sixty days during the twelve months preceding the day on or before which the Essays must be sent in, in this case 1st October, 1927.

At the Annual General Meeting of the Geologists' Association in February, 1925, the Foulerton Award will be presented to Mr. A. L. Leach, F.G.S., who has contributed several papers to the *Proceedings*, has conducted numerous excursions, and from 1913 to 1918 was Honorary Secretary of the Association; for nearly four years, during the war, he was also Excursions Secretary. As from 31st December, 1924, Mr. W. Wright has resigned the office of Honorary Secretary, and his successor will shortly be appointed.
