In the published article, ‘Shelton, RC, Cooper, BR & Stirman, SW (2018) The sustainability of evidence-based interventions and practices in public health and health care. *Ann Rev Public Health* **39**, 55–76. doi: 10.1146/annurev-publhealth-040617-014731’ was incorrectly listed as reference 11, when this should have been ‘Moore, J.E., Mascarenhas, A., Bain, J. *et al.* Developing a comprehensive definition of sustainability. *Implementation Sci* **12**, 110 (2017).’

The article has now been updated to amend this error.
