- * The ideal gift. Will last a lifetime and be a constant reminder of the giver.

Abbot Cabrol's Explanatory Introduction and Liturgical Notes throughout the book are most helpful. These, however, do not intrude and cannot be a cause of distraction.

A Little Pictorial Life of Jesus for Children

This charmingly illustrated booklet comprises 23 coloured plates, measuring 5 x 3½ inches, depicting the chief events in the life of Christ, each with a page of descriptive text.

The remarkable feature is the quality of the coloured pictures. In fact they could be used separately as 'Holy Pictures'—or even worthy of framing.

It is a book a child would love and treasure—and learn much from—for it is as instructive as it is attractive and exceptionally inexpensive.

Price per copy 1s. od. Per dozen copies 10s. od.
