THE AMERICAN SOCIETY FOR THEATRE RESEARCH

The American Society for Theatre Research (ASTR) was founded in 1956 to encourage theatre scholarship and to provide a link with other similar groups represented in the International Federation for Theatre Research (IFTR/FIRT). ASTR is the only American theatre organization affiliated with the American Council of Learned Societies and the International Federation for Theatre Research. In 1967 ASTR was incorporated under the laws of New Jersey as a nonprofit corporation. In informal correspondence, the society is referred to as "ASTR."

Theatre Survey, the official journal of ASTR, is published biannually, in May and in November. The ASTR annual meeting occurs in the fall of each year.

Inquiries about ASTR, including membership, should be sent to:
