## Editorial Notice

We are pleased to announce that, with this issue, the *Journal of British Studies* increases its size by roughly one quarter. The expansion reflects the growing range and popularity of the *Journal*, as well as the continued strength of British Studies generally. The additional space will allow us to publish not only more articles but also all articles more quickly. We hope that it will also provide the chance to publish some essays of greater than normal length. As always, we welcome all submissions and inquiries.
