

## THE MEDICO-LEGAL SOCIETY OF NEW YORK.

This Society has issued a circular in which it is stated that the recent session of the International Congress of Medical Jurisprudence was highly successful. It perfected a permanent organization, and provided for the selection of an additional Vice-President from each State and Territory of the American Union, and from each foreign province, State, and country who had members in the organization that took an interest in the success of the movement.

The expenses of publishing all the papers read at this Congress, with a record of its transactions and the proceedings at the banquet, will fill a large volume, the expense of which is estimated will be about \$700. The Executive Officers were authorized to elect additional members into the organization, the only expense of which is the enrolling fee of \$3.00, which entitles the member to the bulletin free.

It is desired that others will unite in this movement with a view of making it International, and promoting the advancement of medical jurisprudence, not alone within the United States of America, but throughout the civilized world.

Those who desire to be enrolled are requested to communicate with either of the undersigned:—

MORITZ ELLINGER,  
Surrogate's Office,  
New York City.

CLARK BELL,  
President,  
57, Broadway, N.Y.
