## **America's Unwritten Constitution**

Science, Religion,  
and Political Responsibility

Don K. Price

Price seeks the root cause of the nation's present political malaise and concludes that it is not our system of government that needs to be revised, but rather our often irrational political prejudices.

**\$19.95**

## **The Regulation of American Federalism**

Donald F. Kettl

This important study by Donald Kettl suggests strategies for shifting the balance of power away from the federal government and back toward the states and cities.

**\$20.00**

## **The President and the Public Philosophy**

Kenneth W. Thompson

"A thoughtful, well-written, and penetrating compendium of problems which face the nation and which require a comprehensive and integrated response." — **American Political Science Review**

**\$20.00**

## **A Tale of Two Agencies**

A Comparative Analysis of the General Accounting Office and the Office of Management and Budget

Frederick C. Mosher

Mosher's work reveals the complex nature of two of the most significant and powerful government agencies.

Available in January.

**\$22.50**
