Political Science Research and Methods

Political Science Research and Methods (PSRM) is a general political science journal dedicated to publishing original scholarly work of the highest quality from all subfields of political science. *PSRM* also welcomes work at the intersection of political science and related disciplines. Manuscripts should apply rigorous methods to empirical or theoretical problems. *PSRM* is the official journal of the European Political Science Association (EPSA), the organization that sets the journal's policies.

Editor-in-chief: PAUL KELLSTEDT, Texas A&M University, USA
