New eJournal

## *Political Science Jobs* New eJournal from APSA

In July 2012, APSA launched a new monthly and online journal focused on jobs in political science. *Political Science Jobs* contains active job listings from APSA's eJobs database. The combination of the new online journal and the daily APSA eJobs database provides a continued platform for a transparent, efficient, and ethically grounded political science labor market. APSA has maintained an open academic job market for many years, and this new journal forms the next phase of these efforts.

### Format and Frequency

*Political Science Jobs* includes all active positions in a monthly downloadable PDF and link to the searchable eJobs system online.

### APSA Members

APSA members (individuals and departments) have free access to the online journal as a benefit of membership. All members also receive free access to the daily PDF of eJobs listings.

### Replacing *PS Supplement* with *Political Science Jobs*

*Political Science Jobs* replaces the former *PS Supplement* of job listings. The April 2012 *PS Supplement* was the last published volume since establishing the journal in 2008 to fulfill federal regulatory requirements tied to international hiring requirements. These federal rules recently changed to recognize online or web-based professional journals as an eligible outlet.
