Effects of Preheating and Cooling Durations on Roll-to-Roll Hot Embossing-ERRATUM

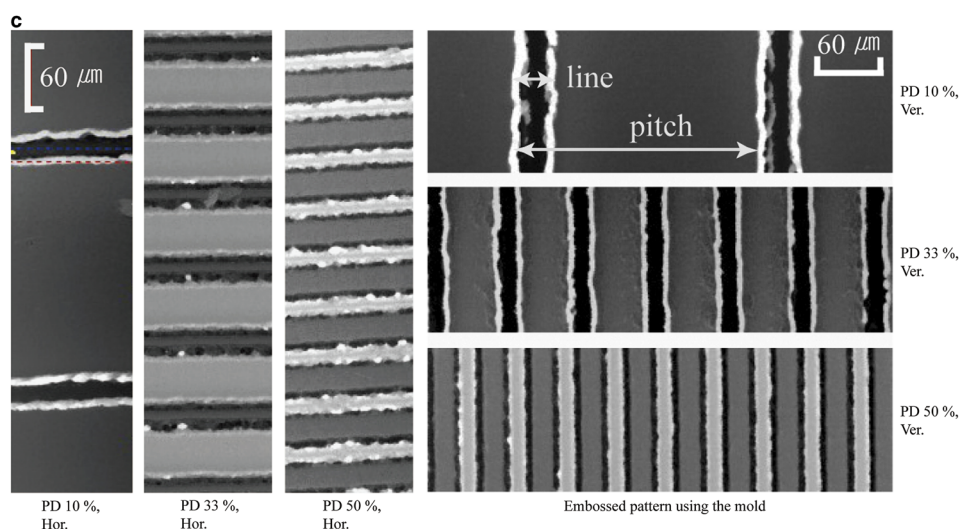

Seyoung Kim, Youngsu Son, Heechang Park, Byungin Kim, and Dongwon Yun

doi:10.1017/S1431927614013324, Published by Cambridge University Press 14 October 2014.‡

In *Microscopy and Microanalysis*, an article, MAM1401332, Kim *et al.*, was posted on First View, but shortly after, a co-author spotted an error at Figure 3c whereby a white rule appeared where it did not belong.

Incorrect version of Figure 3c

Correct version of Figure 3c

‡ Note: The original version of this article was published with an incorrect version of Figure 3c. A notice detailing this has been published and the error rectified in the online and print PDF and HTML versions.
