

Gatt Dispute Settlement Reports

Disputes Initiated in 1948–1993 6 Volume Hardback Set

GATT Dispute Settlement Reports compiles all dispute settlement reports issued under the General Agreement on Tariffs and Trade (GATT 1947), including its Tokyo Round plurilateral codes, from 1948 to 1995 as identified in *GATT Disputes: 1948-1995* published by the WTO. This complete set includes both adopted and unadopted reports.

- Provides a complete set of all GATT Dispute Settlement Reports issued during the lifetime of the GATT (1948-1995)
- Each volume consists of scans of the original reports
- This is the only complete set of GATT dispute settlement reports, including some reports that have only recently been discovered

Publishing October 2020

6 Volume Hardback Set | 9781108495424 | 240 x 160 | GBP 600 | USD 780

Dictionary of Trade Policy Terms

Sixth Edition

Walter Goode

This book is intended for persons required to be familiar with the world of trade policy. It contains in accessible language over 3000 entries and cross-references of terms and concepts. It is aimed particularly at current issues, but it also provides a brief historical perspective of more complex issues.

- Gives a comprehensive overview of the terms and concepts used in international trade policy
- Explains these terms and concepts in accessible language and provides numerous examples of how they are used
- Nearly all entries include cross-references allowing readers to see the material in a broader context

October 2020 | 228 x 152mm

Hardback | 9781108842983 | GBP 94.99 | USD 125

Paperback | 9781108823197 | GBP 41.99 | USD 54.99

Law

Books and Journals from Cambridge University Press

Cambridge have an established and ever expanding academic law list in public and private law subjects crossing books and journals aimed at a global readership.

Particular strengths lie in international law, human rights and transitional justice, transnational and comparative law, jurisprudence, and legal history.

We also publish a growing number of titles with an inter-disciplinary and socio-legal approach.

Economics

Books and Journals from
Cambridge University Press

Cambridge's economics list is renowned for the breadth and quality of its publishing.

Our book list is home to the work of some of the most important economists in the history of the discipline, most notably John Maynard Keynes, as well as the work of almost 30 Sveriges Riksbank Nobel Prize laureates, including Kenneth Arrow, Herbert Simon, Robert Solow and Joseph Stiglitz.

This is complemented by a cluster of key journals such as *Econometric Theory*, *Journal of Economic History* and *Journal of Financial and Quantitative Analysis*.

THE LATEST FROM GREGORY SHAFFER

Victorious after World War II and the Cold War, the United States and its allies largely wrote the rules for international trade and investment. Yet, by 2020, it was the United States that became the great disrupter – disenchanted with the rules' constraints. Paradoxically, China, India, Brazil, and other emerging economies became stakeholders in and, at times, defenders of economic globalization and the rules regulating it. *Emerging Powers and the World Trading System* explains how this came to be and addresses the micropolitics of trade law – what has been developing under the surface of the business of trade through the practice of law, which has broad macro implications.

“A superb analysis of the crisis in the legal order governing world trade.”

MARTIN WOLF, FINANCIAL TIMES

“If you want to understand the past and the future of the transnational legal order for trade, read this book!”

JENNIFER HILLMAN, SENIOR FELLOW AT THE COUNCIL ON FOREIGN RELATIONS

“Eloquently illuminates a complex but vital subject – the law's power to shape a more inclusive model of transnational trade.”

ROBERTO AZEVEDO, FORMER DIRECTOR-GENERAL OF THE WORLD TRADE ORGANIZATION
