The British Society for the History of Science

Membership of the Society, which includes a subscription to *The British Journal for the History of Science*, is open to all persons approved by the Council of the Society and elected at an ordinary meeting (formalities required by the UK Companies Act). The annual subscription for the membership year 1985-86 is £13.00 (US\$26.00 in the Americas, Canada, and Japan) or for students, £6.50. (\$13.00). About four other meetings, lasting for between one and three days, are held during the year, sometimes devoted to a clearly-defined theme or an important anniversary, and often arranged in conjunction with other scholarly societies.
